FAQ'S

How do I use Skintelligence pH Skin Normalizer?

Spray over cleansed face and neck and allow to dry.

How often should I use Skintelligence pH Skin Normalizer?

For best results, use twice daily — once in the morning and once at night.

Is Skintelligence pH Skin Normalizer for all skin types?

Yes, Skintelligence pH Normalizer can be used for all skin types; however, it is ideal for normal to oily skin types.

During what part of my skincare regimen should I use Skintelligence pH Skin Normalizer?

Use Skintelligence pH Skin Normalizer after cleansing with Skintelligence Hydra Derm Deep Cleansing Emulsion. Follow with Skintelligence Skin Perfecting Complex for skin hydration or Skintelligence Alpha 24 Triple Revitalizing Complex for exfoliation.

Is Skintelligence pH Skin Normalizer tested on animals?

No, Skintelligence products are not tested on animals.
