- Smoothes, softens and moisturises the skin
- Creates a healthy, youthful rejuvenated glow
- For all skin types
- Paraben-free formulas

FAQ

How often should I use the Cellular Laboratories De-Aging Facial Cleanser? The Cellular Laboratories De-Aging Facial Cleanser is perfect for use in the morning to start your day off refreshed. Follow with De-Aging Toner and De-Aging Moisturizing Day Crème with SPF 20 for sun protection. It is also the perfect option at night to wash away impurities accumulated throughout the day.
How to Use Cellular Laboratories De-Aging Toner? Apply to cleansed skin with a cotton pad. Sweep over face and neck. Avoid direct contact with the eye.

How do I use Cellular Laboratories® De-Aging Moisturizing Day Crème SPF 20? Apply liberally to clean skin 15 minutes before sun exposure, allow to absorb fully. Use a water-resistant sunscreen if swimming or sweating. Use a water-resistant sunscreen if swimming or sweating. Ask a doctor before use on children under 3 years of age

Is the De-Aging Moisturizing Day Crème acceptable for everyday use? Yes, it is important to wear a sunscreen every day, and the De-Aging Moisturizing Day Crème is perfect for daily use. It absorbs quickly into the skin to provide protection against the sun and is perfect for use before the application of makeup.
