Why Choose PetHealth Hypoallergenic Shampoo?

A dog's skin can be very sensitive, making PetHealth Hypoallergenic Dog Shampoo an optimal chemical-free choice. This oatmeal dog shampoo leaves your dog feeling clean and smelling fresh while keeping his skin and coat hydrated.

Give your dog the royal treatment with this perfect coat dog shampoo. This hypoallergenic shampoo for dogs boasts ingredients such as oatmeal, lavender, honey and aloe, and it contains no harsh, irritating phosphates, sulfates, preservatives, parabens or alcohol. PetHealth Hypoallergenic Shampoo is odor neutralizing and leaves your dog smelling clean and fresh without an overwhelming perfume scent. The plant-based ingredients in this dog shampoo give your dog's coat a clean and shiny appearance without exposing him to harsh chemicals.
