FAQ'S

What are the proper steps for applying Motives for La La Nail Lacquer?
Here are some steps to guide you in applying nail polish:
Apply Motives Base Coat first to protect the nail from stains and increase your polish's staying power
Apply nail polish in three strokes: one from the nail base to the tip along the center, two and three around the base and up each side
Allow 3-4 minutes for the nail polish to dry before applying another coat
Allow 3-4 minutes for the nail polish to dry and apply Motives Clear Top Coat to polish off the finish
