FAQ'S

BENEFITS

- Subtle, metallic eye shadow colours inspired by the romantic, yet modern, runway trends of Fall/Winter 2013
- Complementary colours that can be worn wet or dry for a vibrant or subtle look
- Four new eye shadows perfect for any skin tone
- Impeccable colour retention that will not fade or crease

FAQ'S

Is the Motives Secret Moments Palette convenient for travel?

Yes! The Motives Secret Moments Palette is small and convenient enough to tote just about anywhere!

How many shades come in the palette?

Motives Secret Moments Palette gives you the season's four hottest shades with multiple combinations to achieve any look. This palette includes the following hues: champagne, metallic blue, metallic gray and shimmery burnt orange.

Can I use these eye shadows dry or wet?

The Motives Secret Moments Palette eye shadows can be worn dry or wet. To achieve a dramatic look wear these shadows wet. For a subtle look, apply them dry.

Will these eye shadows crease or flake?

No, these four eye shadows have impeccable colour retention so they will not flake or crease, allowing you to always look your best.

Which colours should I use together?

This palette features colours that can be paired together to create a subtle or bold look, or they can be paired with any other Motives eye shadows — pressed, loose, crème, or glitter. The possibilities are endless for any look!

Is Motives Secret Moments Palette tested on animals?

No, this finished product has not been animal tested.
