HEALTH

CONTAINS ISOTONIC-
CAPABLE PYCNOGENOL®

C13009 | SINGLE BOTTLE (90 SERVINGS)

Why choose Isotonix OPC-3?

Isotonix OPC-3 is an isotonic-capable food supplement that is made from a combination of bilberry, grape seed, red wine, pine bark extracts and citrus extract bioflavonoids. Isotonix OPC-3 contains isotonic-capable Pycnogenol®, renowned for its extensive clinical research with more than 120 studies published in peer-reviewed medical journals.

Oligomeric proanthocyanidins (OPCs) are bioflavonoids (complex organic plant compounds) found in fruits, vegetables and certain tree barks that provide exceptional nutritional benefits to the human body. Studies have shown OPCs to be many times more powerful than vitamin C and vitamin E. Isotonix OPC-3 contains OPCs from grape seed extract, red wine extract, bilberry extract, Pycnogenol® from pine bark and citrus fruit. Our grape seed extract is a superior source of OPC, containing 92 percent of active ingredients with pine bark containing 84 percent of active OPC ingredients. The red wine extract contains flavonoids called leucocyanidins from the skin of red grapes. These are the three best sources of oligomeric proanthocyanidins available. Over 20,000 different flavonoids have been discovered, of which a select few are water-soluble and easily absorbed by the body. Isotonix OPC-3 contains the top three of the most bioavailable and potent forms of OPCs. Pycnogenol in Isotonix OPC-3 is the most clinically researched and potent bioflavonoid.

The Isotonix Advantage!

Isotonix dietary supplements are delivered in an isotonic solution. This means that the body has less work to do in obtaining maximum absorption. Isotonic products allow nutrients to pass directly into the small intestine and be rapidly absorbed into the bloodstream. With Isotonix, little nutritive value is lost, making the absorption of nutrients highly efficient while delivering maximum results.

Isotonix products also offer the fastest and most efficient delivery system of all nutraceutical supplements and are formulated using only the most advanced and scientifically proven ingredients. Isotonix products are completely free of binders and fillers common in traditional tablet and capsule products so you know that you are getting only the quality ingredients you expect.
