FAQ'S

In what order do I use Skintelligence 5-Piece Set?
Step One: Cleanse your skin with the Hydra Derm Deep Cleansing Emulsion.
Step Two: Balance and refresh your skin using pH Skin Normalizer.
Step Three: Reduce the appearance of fine lines with Skin Perfecting Complex.
Step Four: Moisturize and protect your skin with the Daily Moisture Enhancer.
Step Five: Twice per week, spend 12 minutes pampering yourself while removing impurities from deep within your skin. Use the Facial Firming Masque to temporarily erase the effects of time, stress and the environment.
How often do I use Skintelligence 5-Piece Set? Follow this regime both in the morning and in the evening daily — only use the Facial Firming Masque twice a week as overuse can cause damage to the skin.
I have sensitive skin; can I follow this regime daily? Yes, this product line is hypo-allergenic and fragrance free.
Who will this product line work best for? This product is perfect for men and women with normal, oily and sensitive skin types. It can also be used with younger crowds to get rid of troublesome acne, or older generations can use it to reduce fine lines.
Was the Skintelligence 5-Piece Set tested on animals? No, this product line was not tested on animals.
