Dogs love to get dirty – either finding that mud puddle from the last rain or rolling in something stinky in the woods – it never fails they will get dirty. With a market full of shampoos for dogs, how do you know which one is the best? PetHealth Hypoallergenic Shampoo is a non-irritating formula that is odor neutralizing. The plant-based ingredients are formulated to cleanse and moisturize without depleting the skin's natural lipid barrier. Many dog shampoos are harsh and full of chemicals. PetHealth Hypoallergenic Shampoo is safe for any skin types, even sensitive skin and is pH balanced. PetHealth Hypoallergenic Shampoo is also sulfate free, phosphate free, alcohol free, preservative free and paraben free. You can rest assure with PetHealth Hypoallergenic Shampoo – Only the best for your pet!

What makes PetHealth Hypoallergenic Shampoo unique?

Dogs are energetic and playful - which often leads to a dirty mess for you! With so many choices on the market, what dog shampoo is best for your pet? A dog's skin can be very sensitive, making PetHealth Hypoallergenic Dog Shampoo an optimal chemical-free choice. This oatmeal dog shampoo leaves your dog feeling clean and smelling fresh while keeping his skin and coat hydrated.

Give your dog the royal treatment with this perfect coat dog shampoo. This hypoallergenic shampoo for dogs boasts ingredients such as oatmeal, lavender, honey and aloe, and it contains no harsh, irritating phosphates, sulfates, preservatives, parabens or alcohol. PetHealth Hypoallergenic Shampoo is odour neutralising and leaves your dog smelling clean and fresh without an overwhelming perfume scent. The plant-based ingredients in this dog shampoo give your dog's coat a clean and shiny appearance without exposing him to harsh chemicals.
