Why choose nutraMetrix Isotonix Calcium Complete?

Calcium is essential for building and maintaining strong bones. nutraMetrix Isotonix Calcium Complete provides the body with an optimal blend of calcium, vitamin D3, magnesium, vitamin C and boron in an efficient isotonic solution that is readily absorbed by the body.

Benefits of nutraMetrix Isotonix Calcium Complete:

- Supports skeletal health
- Adequate calcium and vitamin D throughout life, as part of a well-balanced diet, may reduce the risk of osteoporosis
- Supports cardiovascular health
- Plays a critical role in the normal contraction of skeletal and heart muscles
- Supports normal muscle use and performance
- Supports healthy teeth and gums
- Helps to maintain healthy immune functions and general well being
- Helps maintain healthy cholesterol levels
- Supports proper nerve conduction
- Promotes normal regulation of hormones and enzyme production
- Supports healthy blood sugar levels
- Supports healthy body weight
- Supports healthy pregnancy and fetal development

Directions for use:

Pour 1 level bottle capful of powder into the overcap. Add water to the line (2 fl.oz.) and stir. As a dietary supplement for adults, this product is best taken twice daily, 1 capful in the morning and 1 capful in the evening, or as directed by your healthcare provider. Children ages 9 and older may take 1 capful daily, or as directed by their healthcare provider. Maximum absorption occurs when taken on an empty stomach.

Warning:

If you are currently using prescription drugs, have an ongoing medical condition, or if you are pregnant or breastfeeding, consult your healthcare provider before using this product.
