PROMOTES COGNITIVE HEALTH

PRODUCT SKU: 13059 | 45 SERVINGS

Why Choose Isotonix Acai Advanced Energy?

The unique proprietary blend made from a combination of acai berries, guarana, yerba mate, mangosteen, pomegranate, green tea and essential and non-essential amino acids provides the antioxidant power that sets it apart from the competition. Isotonix Acai works to increase energy, support immune functions, promote cognitive health and support weight control all with the benefit of the Isotonix delivery system.

How does Isotonix Açai compare with other energy drinks?

Açai, unlike other energy drinks, provides strong antioxidant protection from various fruits powders and extracts, while also supplying energy promoting vitamins and amino acids.*

Since Açai is isotonic, why does it need caffeine? Would it not be more potent if it were more slowly absorbed?

Caffeine is present as a natural component of the ingredients contained in Isotonix Açai. Whether isotonic or not, caffeine provides an extra 'energy push' for those who want it. No, this product would not be more potent if it were absorbed more slowly.*
