- Vitamins C & E provide antioxidant protection and vitamin A conditions the skin
- One step process with primers, silicone and SPF 15 all in one formula
- Free of oil, wax, dye and talc
- Micro diffusers keep skin looking flawless

UNIQUENESS

A 3-in-1 foundation that provides the superior, buildable coverage of a crème foundation while offering SPF and primer, with the natural-looking, sheer finish of a powder foundation. This foundation hides discolorations and covers skin with a fine, light-diffusing layer to minimize pores and imperfections for clear, satiny-smooth skin under any lighting.
