Why Choose Snap Scouring Deep Cleanser?

Use this multi-surface cleaner for tile, grout, enamel, various counter tops and even glass. It also cleans and polishes metal surfaces such as chrome and stainless steel with a mild abrasive formula that does not scratch. The triple-action cleaning power of Snap Scouring Deep Cleanser cleans away dirt, protects the luster of surfaces and continues to work even after cleaning with bio-enzymatic action that removes embedded grime. These deep-cleaning features are perfect for effective grease stain removal. Use this powerful cleaner to leave surfaces clean, protected and looking beautiful.

Is Snap Scouring Deep Cleanser eco-friendly?

Yes. Snap Scouring Deep Cleanser is made from plant- and enzyme-based ingredients that are phosphate free, biodegradable, nontoxic and safe for septic systems. Snap uses recyclable bottles.
