## FAQ'S

Will Motives for La La Mineral Volumizing & Lengthening Mascara make my eyelashes grow?

Though your lashes will look longer and fuller, this mascara is not meant for eyelash growth or thickening.

Which color of Motives for La La Mineral Volumizing & Lengthening Mascara should I use?

It depends on your desired look. Brown will make your lashes look softer and more natural, while Black will give your lashes a dramatic boost.

What will my lashes look like after I use Motives for La La Mineral Volumizing & Lengthening Mascara?

Your lashes will look fuller, darker and longer after using Motives for La La Mineral Volumizing & Lengthening Mascara. The brush will also give your lashes a dramatic curl without using an eyelash curler.

Will Motives for La La Mineral Volumizing & Lengthening Mascara come off easily?

While you're wearing it, Motives for La La Mineral Volumizing & Lengthening Mascara will not smudge or flake off, leaving unsightly marks on your face. However, it is easily removed with Motives Waterproof Eye Makeup Remover and warm water.
