Why Choose nutraMetrix Isotonix Daily Essential Packets?

There's nothing more important than taking care of yourself on a daily basis. With the nutraMetrix Isotonix Daily Essentials Packets, you can be sure that you're giving your body the essential vitamins, minerals and nutrients it needs, thanks to four essential supplements – Isotonix OPC-3, Isotonix Multivitamin, Isotonix Activated B-Complex and Isotonix Calcium Plus – in one, convenient serving to promote long-term health and optimal nutrition.

Plus, by purchasing the nutraMetrix Isotonix Daily Essentials Packets instead of buying a 30-day supply of these products individually, you save \$28.80!

Key Benefits of nutraMetrix Isotonix Daily Essential Packets:

- Combats free radicals
- Demonstrates anti-inflammatory activity
- Helps maintain healthy cholesterol levels
- Supports healthy blood glucose levels
- Supports a healthy immune system
- Contains 100 % or more of the recommended daily value of essential vitamins and minerals to help supplement deficiencies in diet
- Helps maintain normal blood pressure
- Contains vitamins that support the body's ability to metabolize fats and carbohydrates and support a healthy body weight
- Promotes cardiovascular health
- Adequate calcium and vitamin D throughout life, may reduce the risk of osteoporosis
- Supports normal muscle use and performance

Directions for use:

Pour contents of 1 packet into a cup.. Add 8 fl.oz. of water and stir. As a dietary supplement, take once daily or as directed by your healthcare provider. Maximum absorption occurs when taken on an empty stomach.

Warning:

If you are currently using prescription drugs, have an ongoing medical condition, or if you are pregnant or breastfeeding, consult your healthcare provider before using this product.
