## FAQ'S

How do I apply Motives for La La Mineral Lipstick?

Gather Motives for La La Lip Mineral Lipstick on a lip brush and begin by lining the lips. After lining is complete, fill in the rest with a lip brush or lipstick tube. Now your look is flawless and complete!

Why should I use Motives for La La Mineral Lipstick?

Motives for La La Mineral Lipstick is available in many shades that will enhance your natural lip color. Motives for La La Mineral Lipstick utilizes natural minerals, extracts, and vitamin E to moisturize and protect your lips throughout the day.

Can I use Motives for La La Mineral Lipstick after plastic surgery?

Make sure to check with your physician before you start to use makeup again, and always wait to apply makeup until your incisions have healed. It is recommended that you use new applicators for your makeup after any surgical procedure to reduce the risk of irritation.

Will Motives for La La Mineral Lipstick dry out my lips?

No. This lipstick is specially formulated to hydrate your lips, and keep them smooth and supple.
