Why Chose DNA Miracles Natural Soothing Ointment?

DNA Miracles Natural Soothing Ointment is a nontoxic formula strong enough to soothe and yet gentle enough for the softest skin. Using natural ingredients like willow herb and coconut oil, this ointment protects your child's sensitive skin while locking in much-needed moisture.

DNA Miracles Natural is specifically formulated from the best ingredients. Each natural product is designed to gently cleanse, soothe, moisturize and protect your baby's hair and skin without harsh and unnecessary chemicals. DNA Miracles Natural is nontoxic, hypoallergenic, paraben-free and phthalate-free. Each product is pediatrician-approved and gentle enough for everyday use.

How Does DNA Miracles Natural Soothing Ointment Work?

DNA Miracles Natural Soothing Ointment glides over the skin like a calming balm, locking in moisture to promote healthy-looking skin.

Is DNA Miracles Natural Soothing Ointment safe to use on newborns?

Yes, DNA Miracles Natural Soothing Ointment is safe for all age babies. It is formulated with natural ingredients that are safe for a baby's delicate skin.

Is this product safe to apply anywhere on my baby?

Yes, this product is formulated for head-to-toe use and is safe to apply all over the body – avoiding eyes. Use this product when skin becomes irritated to soothe and provide ultimate comfort.

How do I use DNA Miracles Natural Soothing Ointment?

First, gently clean the baby's skin with mild wipes or a warm wet washcloth. Make sure the baby's skin is dry before applying the Soothing Ointment. Apply a generous amount of DNA Miracles Natural Soothing Ointment to the baby's skin with either a clean finger or cotton swab.
