FAQ

My eyes are very sensitive to other cleansers. How do I know this product won't hurt?

Motives Gentle Eye Makeup Remover is formulated with citric acid, an ingredient that removes makeup without stinging. It also helps protect the skin around the eye and leaves it feeling firmer.

Is it gentle enough to use every day?

Yes. The powerful but gentle ingredients make it suitable for daily use.

Other makeup removers have left my skin oily. Will this Motives product do that? No, Motives Gentle Eye Makeup Remover should not leave your skin feeling wet. The oils seep into the skin; they don't linger on the surface.

Is Motives Gentle Eye Makeup Remover tested on animals?

No. This product was not tested on animals and was made 100 percent cruelty free.

Will Motives Gentle Eye Makeup Remover remove waterproof makeup?

Motives Gentle Eye Makeup Remover may help to loosen waterproof makeup but will most likely not remove it. If you need a waterproof eye makeup remover, try Motives Waterproof Eye Makeup Remover. It is made with similar, non-irritating ingredients.
