FAQ'S

Is Motives Mineral Lip Shine sticky?

No, Motives Mineral Lip Shine blends into your lips, leaving a thin layer of brilliant, colourful shine that isn't thick or sticky.

How should I wear Motives Mineral Lip Shine?

Motives Mineral Lip Shine looks great alone for subtle colour or when applied over a Motives Rich Formula Lipstick or Mineral lipstick for extra glam.

Can this lip shine be worn during any season?

Yes, Motives Mineral Lip Shine is a great product for any season. Layer it over Motives Mineral Lipstick for sheer colour or Motives Rich Formula Lipstick for full, rich colour.

Does Motives Mineral Lip Shine have a distinct smell or taste?

No. It is not heavily scented or flavoured, so Motives Mineral Lip Shine does not have a distinct smell or taste.

How do I apply Motives Mineral Lip Shine?

Motives Mineral Lip Shine comes with a convenient and effective lip brush applicator. Simply brush on product beginning in the middle of your lips and work outward with your lip brush to cover the entire lip.
