

# MOTIVES MINERAL DUAL FOUNDATION

**MOTIVES**  
LOREN RIDINGER

## BENEFITS

## FAQ

### BENEFITS

- Mineral-based formula helps minimize the appearance of pores and imperfections
- Infused with aloe vera for smoother, firmer-looking skin
- Applies evenly for a flawless full-coverage look
- Provides gorgeous, silky, buildable coverage
- Suitable for women with normal and combination skin
- Gentle and safe for sensitive skin
- Oil-free, water-resistant powder provides a smooth, matte finish
- Can be applied dry for medium coverage or wet for a more intense pigment

### FAQ'S

**Can I use Motives Mineral Dual Foundation with non-mineral products?**  
Motives Mineral Dual Foundation can be used with your other non-mineral makeup. However, to really achieve the smooth and luminous look of mineral makeup, we recommend that you use other mineral products from both the Motives for La La and Ambition – the Motives Mineral Collection product lines.

**What is the texture of Motives Mineral Dual Foundation?**  
Motives Mineral Dual Foundation's texture depends on the way it is applied. Used dry, Motives Mineral Dual Foundation provides matte-textured, medium buildable coverage. Using Motives Mineral Dual Foundation wet provides dewy and luminous full coverage.

**Can I use Motives Mineral Dual Foundation after plastic surgery?**  
Make sure to check with your surgeon before you start to use makeup again, and always wait to apply makeup until your incisions have healed. It is recommended that you use new applicators for your makeup after any surgical procedure to reduce the risk of irritation.

**Can I use Motives Mineral Dual Foundation after a chemical peel?**  
Always consult your doctor to make sure it is safe for you to resume using makeup after a chemical peel. It is recommended that you use new applicators for your makeup after a chemical peel to reduce the risk of irritation.
