FAQ'S

BENEFITS

- Helps soothe skin
- Moisturizes dry skin areas
- Locks in moisture
- Uses natural ingredients to protect sensitive skin

FAQ'S

Is this product safe to apply anywhere on my baby?

Yes, this product is formulated for head-to-toe use and is safe to apply all over the body – avoiding eyes. Use this product when skin becomes irritated to soothe and provide ultimate comfort.

How does DNA Miracles Natural Soothing Ointment work?

DNA Miracles Natural Soothing Ointment glides over the skin like a calming balm, locking in moisture to promote healthy-looking skin.

When should I use DNA Miracles Natural Soothing Ointment?

DNA Miracles Natural Soothing Ointment should be used whenever you notice dry skin that needs moisturizing.

Is DNA Miracles Natural Soothing Ointment safe to use on newborns?

Yes, DNA Miracles Natural Soothing Ointment is safe for all age babies. It is formulated with natural ingredients that are safe for a baby's delicate skin.

How do I use DNA Miracles Natural Soothing Ointment?

First, gently clean the baby's skin with mild wipes or a warm wet washcloth. Make sure the baby's skin is dry before applying the Soothing Ointment. Apply a generous amount of DNA Miracles Natural Soothing Ointment to the baby's skin with either a clean finger or a cotton swab.

Can this product be used for irritation on my baby's bottom?

This product can be used anywhere to soothe the skin; however, we recommend DNA Miracles Natural Diaper Cream, as it helps to insulate against irritation, and keep the baby's skin soft and smooth.
