- Innovative formula utilizes Tranexamic Acid to brighten and restore the skin's natural radiance
- Helps reduce sebum (oil) build up while leaving the skin feeling flawless and healthy
- Moisturizes to give skin a smoother and softer appearance

FAQ'S

How do I use Lumière de Vie Super Crème?

For optimum results you should apply Lumière de Vie Super Crème all over your face after Serum Concentrate and before Intense Rejuvenation Crème. The Super Crème can also be used as a spot treatment to reduce the appearance of dark spots and hyperpigmentation.

Will I see results immediately?

Lumière de Vie Super Crème is formulated to help reduce the appearance of dark spots and promote a younger-looking complexion with daily use.

Should I use every morning and night?

Yes, for optimum results you should use Lumière de Vie Super Crème morning and night. If skin sensitivity occurs, reduce to once a day.

Will this Super Crème cause my skin to become dry and peel?

Due to the brightening nature of Tranexamic Acid, you may experience some peeling. Follow with Lumière de Vie Intense Rejuvenation Crème to help keep your skin hydrated. You may also utilize this crème as a spot treatment to address specific issues.

Is Lumière de Vie Super Crème tested on animals?

Lumière de Vie does not conduct or commission animal testing of any finished product.
