Why Choose Snap All-Purpose Natural Concentrate?

Snap All-Purpose Natural Concentrate is a highly concentrated, versatile, multipurpose cleaner. Snap All-Purpose Natural Concentrate cleans nearly everything from upholstery, walls, and appliances, to jewelry, ceramic tile, countertops and vinyl. It is perfect for spot cleaning and removing pen ink, shoe polish, lipstick and auto grease. One bottle replaces a cabinet full of leading household cleaners, including glass cleaners, liquid soap, laundry prewash, jewelry cleaners, tile and counter cleaners, vinyl cleaners and general all-purpose cleaners. It also makes great hand soap. Snap All-Purpose Natural Concentrate is tough on dirt, but gentle on hands.

Snap All-Purpose Natural Concentrate works by holding dirt, oil and grease in suspension, allowing it to be easily rinsed away. Snap All-Purpose Natural Concentrate is made from natural oils and is enriched with skin conditioners. Snap All-Purpose Natural Concentrate is an environmentally friendly cleaning solution with biodegradable, nontoxic, phosphate-free and plant-based surfactants and essential oils. Make household cleaning a snap with Snap All-Purpose Natural Concentrate!

Is this product suitable for people with sensitive skin?

Since the product will be diluted to water before use, the reaction to skin sensitivity will be lower.

Who Should Use This Product?

Anyone looking for an environmentally-friendly concentrated but gentle all purpose cleaner
