FORMULA

NO ARTIFICIAL DYES

SG6230,SG6230IBV (24 PACKS)

Snap™ Essentials Laundry Packs provide superior cleaning power, leaving your clothes brighter while removing stubborn stains. One container of our highly concentrated Snap™ Essentials Laundry Packs cleans up to 24 loads of laundry and leaves clothes smelling clean and crisp with our Fresh-scented fragrance.

Why should I use Snap™ Essentials Laundry Packs?

Reinvent your laundry routine with Snap™ Essentials Laundry Packs! Our conveniently pre-measured packs are perfect for all your washing needs, eliminating pouring, mixing and messy spills. Just drop a concentrated pack into the drum, add clothes and you're done!

How do I use Snap™ Essentials Laundry Packs?

Handle with dry hands. To use, simply drop a pack in the washing machine drum, add your clothes and start the machine. For small or medium loads, use one pack. For large or extra-large loads, use two packs.

Do I need to tear open the liquid pack to use it?

No. DO NOT cut or tear open the pack. The pack will dissolve in water.

Will the packs work for both cold and hot wash cycles?

Yes. The packs will dissolve in any water temperature.

Do the Snap™ Essentials Laundry Packs clean whites and coloured fabrics?

Yes, the Snap™ Essentials Laundry Packs are safe for whites and colours. Always refer to the care label located in your garment for best cleaning results.

Ingredients:

Non-ionic and anionic surfactants blend, 2-Methyl-2, 4-pentanediol, water, enzyme blend, plant-based fresh type fragrance, food grade dye, bittering agent
