Why Choose Autoworks Exterior Car Wash?

Autoworks Exterior Car Wash is made with mild, plant-based surfactants to safely and gently remove dust, bugs, grease and dirt, without damaging your car's finish. Autoworks does not contain any acids or alkali found in many commercial car washes that can strip the wax or dry out the paint. Autoworks Exterior Car Wash is an environmentally-friendly cleaning solution with non-toxic, biodegradable, plant-based ingredients that are free of paraben preservatives and phosphates. Autoworks Exterior Car Wash is super-sudsing and rinses away clean, leaving a streak-free shine!

Will Autoworks Exterior Car Wash strip wax from my car?

No. Autoworks Exterior Car Wash is designed to remove dirt and grime without stripping your car's finish. The highly concentrated formula rinses away clean, leaving a streak-free shine.

How many uses can I expect from one bottle?

On average, one 32-ounce bottle of Autoworks Exterior Car Wash will produce up to 32 buckets of washing solution.
