Why Choose Autoworks Tire & Wheel Cleaner?

Autoworks Tire & Wheel Cleaner is formulated without harsh solvents, caustics, acids, VOCs or ozone-depleting chemicals. Autoworks safely and gently cleanses all light alloy wheels, and all clear coated, chrome, polished and anodized finishes. Autoworks Tire & Wheel Cleaner is an environmentally-friendly cleaning solution with non-toxic, biodegradable, plant-based ingredients that are free of paraben preservatives and phosphates. Keep your car looking its best with a gentle formula that breaks down dirt, grime and debris without damaging the protective finish of your tires!

Can I use the Autoworks Tire & Wheel Cleaner on all types of wheels, including clear coat?

Yes. Autoworks Tire & Wheel Cleaner can be used on most types of wheels, rims, covers and hubcaps. We recommend that you test the product before use on an inconspicuous area. If hazing or spots appear, discontinue use. Do not use on wheels with damaged clear coat.
