### Why Choose Isotonix OPC-3 Beauty Blend?

Isotonix OPC-3 Beauty Blend challenges the phrase - Beauty is only skin deep - by taking a unique, inside-out approach to making you both look and feel better. Containing nutrients that provide cardiovascular support, promote increased energy, boost immunity and regulate blood sugar, this product delivers diverse health support. At the same time, with a rich combination of vitamins and antioxidants proven to promote cell protection, collagen production and healthy circulation, Isotonix OPC-3 Beauty Blend supplies your skin and hair with what they need to flourish!

### Who should take Isotonix OPC-3 Beauty Blend?

Who wouldn't want to be noticed for healthy-looking skin, especially when it's cultivated at the cellular level where it really counts? All of us are constantly in contact with an environment that can be quite stressful upon the delicate nature of our skin. Everyone should take precautions against the effects of stress, aging and the environment when it comes to maintaining skin health. This product should be taken by anyone over the age of 18 who wants to look, feel and perform at their best, enabling them to reveal their beauty from the inside out.\*

### When can I expect results?

Within minutes after consumption of Isotonix OPC-3 Beauty Blend, the proanthocyanidins are delivered to the blood stream where they immediately take action, supporting healthy blood flow. OPC-3 Beauty Blend supports healthy blood perfusion all-over the body, which helps promote a healthy oxygen and nutrient supply as well as healthy waste removal.

OPCs support collagen production in the skin, which increases smoothness and elasticity. It requires patience until skin cells have renewed significant amounts of collagen to show visible effects. Take Isotonix OPC-3 Beauty Blend to keep skin cells at their peak vitality.

On a short-term basis, many people notice a fresher-looking skin complexion.\*

### Can men take Isotonix OPC-3 Beauty Blend?

Yes, this product is for anyone who wants to maintain healthy, youthful-looking skin.\*
