Get the car wash detailing you want at home with Autoworks Car Wash Promo Pack. This three-product kit comes with everything you need to give your vehicle a full car wash and detail. The Autoworks Exterior Car Wash cleans your car with a streak-free shine, and the Autoworks Shimmering Polish maximizes your car paint's brilliance and reflection. The Autoworks Tire & Wheel Cleaner works to break down gently dirt and grime, and gives your tires and wheels the thorough cleaning they deserve.

Let the carefully formulated ingredients in the Autoworks Car Wash Promo Pack help your car look like you just drove it off the lot. The Autoworks Exterior Car Wash contains a highly concentrated blend of mild, plant-based surfactants that help enhance your car's shine, giving you a professional-quality home car wash. The Autoworks Shimmering Polish leaves no white residue and resists detergents, pollution, hard water spotting, road salts, insect remains and bird droppings. The Autoworks Tire & Wheel Cleaner helps you get your tires and wheels just as clean as the rest of your car, using a powerful but safe cleaner that surrounds and encapsulates dirt and grime to rinse it away easily.
