- Excellent pre-makeup base for all skin types

FAQ'S

How do I use De-Aging Facial Cleanser?

Use daily to clean off dirt and makeup. Pump a generous amount into palm. Massage onto face in a circular motion to cleanse and remove makeup. Rinse off with water. Can be used anytime day or night. For maximum anti-aging effects, follow with Cellular Laboratories Serums and Creams.

How to Use Cellular Laboratories De-Aging Toner?

Apply to cleansed skin with a cotton pad. Sweep over face and neck. Avoid direct contact with the eye.

Is the De-Aging Day Crème acceptable for everyday use?

Yes, it is important to wear a sunscreen everyday, and the De-Aging Day Crème is perfect for daily use. It absorbs quickly into the skin to provide protection against the sun and is perfect for use before the application of makeup.

Is this product tested on animals?

This product has not been tested on animals.
