- Contains antioxidants to combat the effects of free radicals

FAQ'S

What benefits will I get from purchasing the Skintelligence Skin Care Value Kit?

The Skintelligence Skin Care Value Kit is designed to provide a complete basic skin care regimen based on individual needs at a lower cost. The kit includes a cleanser, toner and moisturizer tailored to meeting the needs of adults 18-30 with normal to dry skin types. With over 20 percent in retail savings, individuals are able to begin a skin care regimen that will cleanse their skin of impurities, maintain its natural pH balance and moisturize the inner tissues for smoother, firmer-looking skin.
