MOTIVES
LOREN RIDINGER

BENEFITS

FAQ'S

BENEFITS

- Glitter is all the rage for the winter and holiday season
- Helps you add a little sparkle
- Can be used to create subtle or bold looks

FAQ'S

Will the glitter in Motives Glitter Eyeliner rub off?

The glitter in the Motives Glitter Eyeliner will not rub off, as the glitter is sealed into the liner.

How do I use Motives Glitter Eyeliner?

Motives Glitter Eyeliner comes with a built-in, small brush to give you precise application.

Simply untwist the top and the tip will have product on it; start at the inner corner of your eye and line the eye with short strokes. Fill in any gaps along the lash line to complete the look.

Is Motives Glitter Eyeliner like Motives Kohl Eyeliner or Motives Liquid Eyeliner?

Motives Glitter Eyeliner is more like Motives Liquid Eyeliner. It applies like Motives Liquid Eyeliner but has glitter flecks throughout.

How do I remove Motives Glitter Eyeliner?

The Motives Glitter Eyeliner is simple to remove – use a cotton ball or a Q-tip and Motives Gentle Eye Makeup Remover to wipe off your glitter eyeliner.

Will Motives Glitter Eyeliner look good with any look?

Of course! Motives Glitter Eyeliner is designed to be compatible with any look! Layer your Motives Glitter Eyeliner on thick for a bold look that can be paired with a simple black dress, or thin for a very subtle sparkle paired with heavy color patterns. The possibilities for an awesome look are endless.
