

LUMIÈRE DE VIE® TONER

LUMIÈRE
DE VIE®

BENEFITS

FAQ'S

BENEFITS

- Helps to reduce the appearance of rough, dry skin, leaving it looking softer and smoother
- Helps to reduce the appearance of fine lines and wrinkles for firmer-looking skin
- Supports healthy skin hydration for a younger-looking, radiant complexion
- Exfoliates skin to cleanse pores and remove impurities and excess oils

FAQ'S

How do I use this toner?

Apply the toner to cleansed skin using a cotton pad, then gently massage into the face and neck in small, circular motions with your fingertips. Allow the toner to absorb into the skin before applying treatments or moisturizer. Follow with Lumière de Vie Serum Concentrate, Lumière de Vie Illuminating Fading Fluid and Lumière de Vie Intense Rejuvenation Crème for best results.

I have sensitive skin; will this product irritate it?

Lumière de Vie Toner is designed to soothe skin so it should not produce any irritation. However, each person's skin has different sensitivities.

When should I use Lumière de Vie Toner?

Lumière de Vie Toner should be used morning and evening after cleansing the face to help remove excess impurities and oils, while keeping the skin hydrated.

Why should I use a toner?

Using a toner is the second step in the cleansing process. Using a toner can help remove excess oils and dead skin that may still be present on the face after cleansing. A toner can also help other skin treatments and moisturizers penetrate more effectively. Toning the face can also help create a healthy skin balance.

How is a toner different from a cleanser?

Cleansing the face removes surface dirt, oil, impurities and pollutants. Toning the face helps to remove excess oils and impurities that lie a bit deeper in the skin by gently exfoliating the skin. Both cleansing and toning help to prepare the skin for the application of skin treatments and moisturizer.
