## FAQ'S

How do I use Lumière De Vie Needle-Free Serum?

Use a dime-sized amount of product on a freshly cleansed face and neck once or twice daily after Lumière de Vie Illuminating Fading Fluid or before moisturizer. Allow the serum to completely absorb prior to the application of other products.

Will I see results immediately?

Pretty quickly, yes. Lumière De Vie Needle-Free Serum is designed to provide a rapid tightening effect, so your skin looks smoother and more firmed.

Will this product reduce the appearance of fine lines and wrinkles?

Yes, this product is formulated to moisturize the skin, and make fine lines and wrinkles appear less visible.

Will this product make my skin too tight?

No, Lumière De Vie Needle helps hydrate and promote healthy skin as it increases softness.
