How do I use Fixx Argan Oil Intensive Hair Mask?

Apply mask to clean, wet hair. If you have fine or oily hair, do not apply to the roots or scalp. For thicker or dry hair, apply all over. Massage gently. Comb or rake through starting at hair tips until mask is distributed evenly. Let sit for 2 to 5 minutes. Rinse with warm water to seal the hair cuticle.

Yes, this product has a light fragrance that leaves hair with a pleasant scent.

Will Fixx Argan Oil Intensive Hair Mask weigh down my hair, especially if it is fine?

No, this product is designed to deeply condition hair without leaving residue that can weigh it down. From fine to thick strands and normal, oily or dry hair, restore moisture for healthier-looking shine and color.

How often should I use Fixx Argan Oil Intensive Hair Mask?

Use this intensive mask 2-3 times each week for optimal results. Condition strands regularly in between to maintain moisture for the healthiest of hair.
