

HOW OUR TOP 3 GUT PRODUCTS WORK TOGETHER

Plant-powered **Ultimate Aloe™** is packed with vitamins, minerals and amino acids to help maintain the digestive tract so you better absorb nutrients and support your immune system.

Clear the path for aloe to do its job by taking **Isotonix® Digestive Enzymes with Probiotics**, which breaks down food and sugars and helps you ease the occasional upset stomach.

The 10 billion good bacteria in **Probiotics-10** help you lose weight, stay regular, and adapt to stress.

SIMPLE STEPS FOR SYNERGY:

1

Start your day with **Probiotics-10** before your first meal so the happy bacteria gets where they need to go before digestion begins.

2

Take **Isotonix® Digestive Enzymes with Probiotics** after your midday meal to avoid feeling sluggish after lunch.

3

Have a splash of **Ultimate Aloe™** before bed to encourage a harmonious digestive system throughout the night.
