

Keep Your Eyes on the Prize

Isotonix Vision Formula with Lutein

The antioxidant properties of Isotonix® Vision Formula with Lutein help protect the eyes from oxidative stress, promote healthy macular density and vision, and support night vision.

Promotes Healthy Vision

Supports Night Vision

Helps Support Healthy Eye Tissue and Circulation

Promotes Healthy Macular Density

May Help Maintain Eye Health as You Age

May Slow Effects of the Aging Process on Eye Health

VITAMIN A

Helps promote healthy night vision.

LUTEIN AND ZEAXANTHIN

These antioxidants help combat oxidative stress and build macular pigment density.

Helps filter out blue light, protecting photoreceptor cells in the retina from light damage.

BILBERRY EXTRACT

Supports night vision and eases eye strain, helps nourish eye tissue and supports healthy eye circulation.

EYEBRIGHT

Promotes healthy eyelids and helps with occasional eye fatigue.

QUERCETIN

A beneficial antioxidant. When taken with vitamin C, it helps strengthen walls of intricate blood vessels in the eye.

TAURINE

Helps protect eyes against the harmful effects of UV light and stabilizes the membranes in the cone cells of the eye.

LYCOPENE

May play an important role in keeping vision healthy.

FUN FACT: Did you know that the eyesight comparison of a human and an eagle is 20/20 by 20/5, meaning that an eagle can clearly see the same object from 20 feet away that a human can see from 5 feet away.¹
