

Isotonix[®]

Isotonix Liquid Vitamins

Accelerated Nutrient Delivery

Formulas created to rapidly move from the stomach for fast nutrient delivery.

A delivery system that functions with the body, not against it.

Isotonix Solutions

- Formulated to survive digestion.
- Delivers concentrated nutrients to the site of absorption.
- Contains no fillers or binders.
- No artificial colors or flavors.

Standard Vitamin Tablet

Compromised Delivery

Limited nutrient availability.

Poorly digested or hard to digest.

Standard Compressed Vitamin Tablet

- Contains lab-created coatings and lubricants.
- Often contains artificial colors, nutrients and flavors.
- Limited absorption or nutrient utilization.
