

Energized & Active

nutraMetrix® Isotonix Açai Advanced Energy and Antioxidant Formula is an isotonic-capable dietary supplement, made from a combination of açai berries, guarana, yerba maté, mangosteen, pomegranate, green tea and essential and non-essential amino acids.

WHAT'S INSIDE

The proprietary blend in nutraMetrix Açai Advanced Energy and Antioxidant Formula works to increase energy, support immune functions, promote cognitive health and support weight control. The antioxidant properties set this product apart from most energy drinks. nutraMetrix Açai will help the body stay energized and active while providing a sound antioxidant formula. Containing other antioxidant-laden ingredients like mangosteen and pomegranate, which have high ORAC values, nutraMetrix Açai is an asset to daily dietary supplementation.

AÇAI EXTRACT

The açai berry has been harvested from the rainforests of Brazil by the people who have been using it for thousands of years. Açai berries contain thiamin (B1), niacin (B2), riboflavin (B3), vitamin E, vitamin C, phosphorus, calcium, fiber, proteins, potassium and fatty acids such as omega-6 and omega-9.
