

# VIVOMEGA™<sup>+</sup>

Highly Concentrated Omega-3 Fish Oil Ultra Pure EPA & DHA

## What is VivoMega™<sup>+</sup>?

VivoMega is a highly concentrated omega-3 fish oil, providing ultra-pure and specific amounts of EPA (eicosapentaenoic acid) and DHA (docosahexanoic acid). This ingredient is produced in Norway and has been clinically studied for numerous health benefits.

## THE BENEFITS

### Immune Health

Omega-3 fatty acids in triglyceride form have been shown to support a healthy immune response because they play a role in the tissues that attract immune cells (a different set called B cells) and help keep them balanced.\*

### Cardiovascular Health

VivoMega is a highly concentrated omega 3 fish oil, providing ultra-pure and specific amounts of EPA (eicosapentaenoic acid) and DHA (docosahexanoic acid), making it optimal for heart health.\*

### Normal Respiratory Function

Recent evidence indicates that omega-3s help maintain the health of immune cell membranes that support receptors, enzymes and cytokines in the body.\*

## Produced in Norway

VivoMega<sup>+</sup>, produced in Norway, has world class oxidation parameters and advanced thin-film technology which ensures a product with an exceptional taste and smell.
