\*Daily Value not established.

**13093/13093NM**

**Bymygra™** is specially formulated with riboflavin (vitamin B2), magnesium, feverfew, and butterbur extract that all work synergistically to help the body maintain healthy platelet activity, thereby promoting head comfort. Bymygra helps maintain proper blood circulation in the brain, promotes healthy cognitive function, supports healthy blood vessel dilation, and helps the body maintain a healthy level of magnesium, which all contribute to the comfort of the head and neck areas. Bymygra supplies a healthy level of magnesium, which correlates with brain health. In addition to promoting head comfort, Bymygra promotes healthy cognitive function.\*

#### **Primary Benefits\* of Bymygra™:**

- Supports/promotes head comfort
- Supports/promotes healthy cognitive function
- Helps to maintain brain health
- Promotes proper blood circulation in the brain which helps maintain head comfort (or which works to support head comfort)
- Helps maintain normal blood flow to the head and neck
