

PRIME

Ultimate Longevity Formula

Prime™ Ultimate Longevity Formula by Isotonix® is a powerful formula that specifically addresses the select needs of mature adults. While other products might focus on a particular area of aging, Prime Ultimate Longevity Formula by Isotonix is designed for the aging adult who wants to maintain both an alert mind and active body. Prime Ultimate Longevity Formula by Isotonix is formulated with natural ingredients, including Huperzine A, which aids in improving and enhancing memory and cognitive function, and branched chain amino acids, which promote muscle retention.

Promotes healthy muscle retention and use

Helps reduce muscle fatigue

Provides antioxidant protection to minimize the effects of free radicals that affect the aging process

Aids in improving and enhancing memory

Supports cognitive performance

Helps support nerve function and blood flow in the heart
