

Contribute To Your Weight Loss With nutraMetrix GoTrim® Core Fat & Carb Inhibitor

REASONS TO USE A CARB INHIBITOR

Metabolism Support | Overeating | Excess Body Fat | Carbohydrate Sensitivity

HOW DOES NUTRAMETRIX GOTRIM CORE FAT & CARB INHIBITOR HELP?

Helps inhibit carbohydrate absorption in the body. May help suppress appetite by promoting a feeling of fullness.

Key Ingredients

LEPTICORE®†

In an 8-week clinical study, using 300 mg of LeptiCore two times per day was shown to help reduce body weight, stored body fat and hip size.

WHITE KIDNEY BEAN

An amylase inhibitor limits carbohydrates from being converted into fat while supporting healthy levels of glucose in the blood.

Code 6462NM

CHROMIUM - 100 mcg

Promotes healthy metabolism and use of carbohydrates and fats, helping maintain normal insulin activity. Average daily consumption: 33 mcg Recommended daily value: 120 mcg

BITTER MELON

Supplementing with bitter melon extract provides powerful antioxidant properties and helps maintain healthy blood sugar levels.
