

# SHOPPING ANNUITY BRAND PREMIUM BIOTIN GUMMIES

Biotin, sometimes referred to as Vitamin B<sub>7</sub> or Vitamin H, is known for its hair, skin and nail health benefits. B-vitamins, including biotin, are essential to our body's functioning. Biotin is essential and can only be acquired through a healthy diet or supplementation.

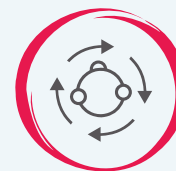

## Did you know?

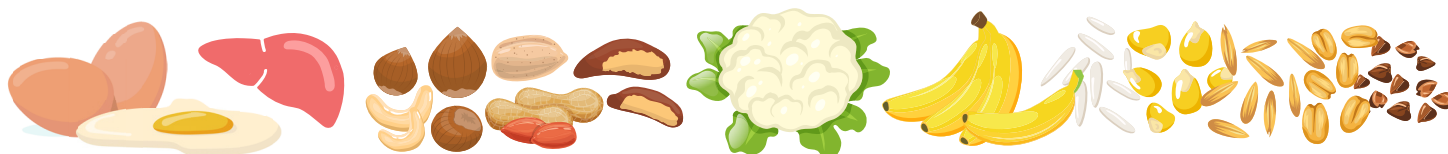

Biotin supplementation provides a source of vitamin B and supports keratin production which is key in hair, skin and nail health.

Biotin, also recognized as Vitamin H, originates from the German words haar and haut, meaning hair and skin.

Biotin supports energy distribution to our cells through the metabolism of fats, proteins and carbohydrates from the food we consume.

Foods that contain biotin include: eggs, kidney, liver, nuts, legumes, cauliflower, bananas, whole grains and cereals.

Shopping Annuity® Premium Biotin Gummies provide 10 mg of biotin that help support your beauty from the inside out by supporting the delivery of oxygen to the cells for healthy skin, hair and nail growth. Providing your body with a daily serving of vitamin B can be made easy with this delightful strawberry flavored gummy, perfect for those looking to maintain beauty longevity and support energy.

## Primary Benefits\*
