# FIGHT OFF OXIDATIVE STRESS with the DETOX KIT

## PRIMARY BENEFITS OF THE DETOX KIT:

- Includes three (3) products — Isotonix OPC-3<sup>®</sup>\*, Curcumin Extreme and Oxygen Extreme
- Save money by purchasing the kit instead of the individual products
- All three products provide antioxidant support
- All three products work together to support the maintenance of good overall health

## HOW WILL THE DETOX KIT BENEFIT YOU?

Toxins build up in our bodies over time through the air we breathe, the foods we eat and the stress we put our bodies under on a daily basis. The master filter in our body, the liver, works to cleanse the body of these toxins to keep them from disrupting the normal functions and operations of the body — essentially, keeping you healthy.

To promote regular detoxification, Market America has created the Detox Kit, a combination of three products — Oxygen Extreme, Curcumin Extreme and our all-star antioxidant, Isotonix OPC-3 — that work synergistically for overall antioxidant support. Supporting liver detoxification by adequate intake of antioxidants can help to achieve healthier aging, a longer lifespan and optimal health.
